## TO WHOMSOEVER CONCERNED

We would like highlight and appreciate that AAG Engineering Technologies Pvt. Ltd., Mumbai India has successfully supplied and commissioned 1 NOS. Belt Scales for Roller Press Product Cap - 372 TPH & 1 nos. 36 T Bin Weighing System for Roller Press Product Cap - 36 T at Our works in Nairobi. Second set of Bin weighing system and Belt weigher system will be commissioned in November Month 2017.

We are very satisfied with their Design and Commissioning team, System operation and calibration accuracy was found satisfactory with Material.

Thanking You,

31.05.2017

Piyush Hariyani
